SAILING DUTIES

All full members and one member of a family membership are obliged to perform 4 duties throughout the season.

Racing

All races will be governed by The Racing Rules of Sailing, the prescriptions of the RYA when they apply, relevant class rules and the sailing instructions of Minnis Bay Sailing Club.

Safety Boat & Race Officer Duties

As can be imagined, racing and all other sailing activities do not run themselves. Please make sure you use 'Duty Man' and turn up to complete your duties.

Not doing these impacts greatly on those who have turned up to sail and places more demands on those members of the Sailing Committee that have volunteered to organise the years sailing programme.

Berthing

Members are responsible for ensuring their boats and all associated equipment is contained within their allocated berth.

Make sure your boat is securely tied down.

DO NOT LEAVE THE BOAT PARK VIA THE CAR PARK ENTRANCE WITH YOUR MAST UP.
